Provision of Advice

We encourage you to seek a Financial Adviser that suits your circumstances. Your Adviser will sit down with you to discuss and determine a suitable course of action for your financial goals.

Q. Will we provide you with a Statement of Advice?

A. You are required to receive a Statement of Advice (SoA) document when you receive personal advice that relates to your own objectives, financial situation and needs. The Statement of Advice will contain the basis on which the advice has been provided, personal information relating yourself and interested parties, recommendations and information that relate to the fees and charges of any recommendations. At times there will be the need for a Review of Advice (RoA) document which would be an alteration of the original Statement of Advice due to significant changes in your personal circumstances.

You are able to request a copy of these documents up to 7 years after they have been produced and presented to you.

Should there also be any product recommendations made to you in either the SoA or RoA, a Product Disclosure Statement (PDS) will also accompany your documentation.

Q. How do you pay for the financial services provided?

A. A fee may be charged for the Statement of Advice document or other ad hoc services. These fees may be partially or totally offset by brokerage or commissions received by implementation of a product based on recommendations by your adviser.

Apex Macro Financial Group Pty. Ltd. may receive an upfront fee, brokerage, ongoing fee or a combination of fees from product providers which will be passed to its advisers.

Fees can be based on total funds placed, time spent with adviser or as agreed by you and our advisers. All fees will be disclosed in your Statement of Advice document.

Regarding Life Insurance Advice;

If you decide to purchase a life insurance product, unless stated otherwise in your Statement of Advice, Apex Macro Financial Group Pty. Ltd. has opted to receive brokerage from the product providers in lieu of invoicing you separately for the services provided. Depending on the product, this brokerage ranges from 25% to 130% of the first-year premium and between 2.5% and 35% on the renewal each year.

Regarding Investment and Superannuation Advice.

If you decide to proceed with investment and/or superannuation advice provided the fee you may be charged will be a dollar based or may be calculated as a percentage of the amounts invested.

The fee may also be reflective of an hourly rate. All fees, brokerages and commissions are paid to Apex Macro Financial Group Pty. Ltd. who may deduct a fee and then pays the balance to your adviser(s) subject to any agreements.

Hourly consultations are fee based and may range from \$330 to \$770 per hour depending on your requirements.
